

VOTER REGISTRATION

Your school encourages you to register to vote. The National Mail Voter Registration Form is available at the school's financial aid office and can be obtained from the US Election Assistance Commission's website at www.eac.gov/voter_resources.

Am I eligible to vote?

At a minimum, you must be 18 years of age and a U.S. citizen to be eligible to vote. States may also have their own requirements, which are outlined in the "State Instructions" section of the National Mail Voter Registration Form. State and local election offices can also provide information on voter eligibility.

How do I register to vote?

You may register to vote by completing and submitting the National Mail Voter Registration Form. This form may also be used to report a name or address change to the voter registration office or to register with a political party. You can obtain the form in person from the following public facilities: • state or local election offices • the department of motor vehicles • public assistance agencies • state funded programs that serve people with disabilities • any public facility a state has designated as a voter registration agency (such as a public library, public school, and city or county clerk's office). You may also register to vote by using your state's voter registration form.

When can I register to vote?

You must register by your state's registration deadline to ensure voting eligibility. Each state has its own registration deadline. You can find this information in the "State Instructions" section of the National Mail Voter Registration Form at www.eac.gov, or by contacting your state or local election office.
